### **Scholarship Applicants should be aware of the following:**

- All scholarship awards are subject to the discretion and decision of the Scholarship Committee, the approval of the Finance Committee, and the availability of funds.
- Preference will be given to applicants during their first two years attending college/university. Dependent upon the availability of funds and at the discretion of the Scholarship Committee and the Finance Committee, scholarships will be considered for the third and subsequent years.
- If an applicant is accepted for scholarship, a check will be paid directly to the college/university the student will be attending. Recipients need to provide the Scholarship Committee with the exact name the check should be made out to before the check is issued.
